# information

## **SALES LICENSE**

Included with the patterns is a sales license. That means that you as individual who sews as a hobby or owns a business have the right to use the patterns to sell clothes. The license applies only for the buyer of the pattern and the license terms cannot be transferred to a third party. Which means that you cannot let another physical or legal person produce clothes on a large scale on your behalf.

## **SEAM ALLOWANCE/HEM NOT INCLUDED**

You should add seam allowance on ALL patterns except where you intend to add binding or if the patterns says otherwise. I recommend that you read through the sewing instructions. Within it are instructions both in picture and text which will facilitate your sewing.

## **PAPER PATTERN**

The paper patterns are sensitive to moisture and tear. Handle with care. On certain paper patterns the parts are split due to lack of space. Read the instructions carefully to know if they are to be stenciled and put together in a certain way. When you sell your pattern, you must destroy all copies that you have made.

## **PDF-PATTERN**

Files are downloaded directly from your page on Etsy – after purchase they will be added to “purchases”. They are PDF-files and I recommend a pdf-reader with a setting to switch to “real size” and “automatic portrait/landscape” when printing. For example, Adobe Reader or PDF X-change. It is important to measure the control box so that it is exactly 30mm \* 30mm or your garment might not end up the way you imagine. PDF is easy to print. Utilize the layers to only print the page you want to sew and cut it directly. There are arrows on the pattern and they should align towards each other when you put the pattern together. There is also an overview of the pattern where you can see how the different pages should be positioned.

Because a PDF-pattern is a digital product there are no refunds or returns.

The PDF-Pattern may not be copied and/or sold/donated to a third party.

## **LICENSE**

When you purchase a pattern, you agree to an agreement with Sewingheartdesign that you accept the license with its terms and conditions. Violation of this agreement will be brought before the Swedish court.

I hope you will be satisfied with the pattern! Good luck with the sewing!

# finishing knit binding

Knit binding: Bind the edge.

FOE: Place the foe on the inside. Stitch with zigg-zagg while stretching it to 80% of the length. Fold it over to the right side and stitch a decorative stitch, zigg-zagg or 3-step zigg-zagg.

Panty elastic: Place the straight side of the panty elastic at the right side of the panty. Stitch with zigg-zagg while stretching it to apx 80% of the length. Fold it over to the wrong side and stitch a decorative stitch, zigg-zagg or 3-step zigg-zagg.

Finish off the bindings by doing a straight stitch across both ends.

Cut off one of the ends.

Fold over the other and straight stitch across.

Cut off the excess.

Done!
